American & French Oak Barrels

Chapin Estate 18 year old vines

Alcohol: 13.3 pH: 3.63

Harvest: November 2018

Production: 448 Cases

Bottled: February 2020

This Chapin Cabernet Sauvignon was carefully hand crafted at our Estate Grand Reserve. Aged in French oak, only four barrels for 20 months.

This dark rich Estate Cabernet Sauvignon has a pleasant velvety texture and a full mouthful with persistence of flavors that reverberate on the palate. It has a very smooth finish with lingering flavors of black cherry, black currants, mocha and clove

This wine pairs with red meats, grilled vegetables, salmon, grilled crusted tuna and best with FRIENDS!
