

# ***Sangue Di Giuda 2018***

***Alcohol: 7.0***

***Exclusively produced for Chapin Family Vineyards by Montecalvo***

***Versiggia - Italia***

***Sangue Di Giuda is a blend of three different grape varieties. The blend consists of Croatina for dark lavender color, Uva Rara for perfume aromatics and Barbera for softness and flavors of fresh fruit. Carefully blended together these three wines make a wonderful sweet wine that tastes of fresh cherries and blueberries with a spicy lingering soft finish.***

***Shock and surprise your friends with this celebratory wine***
